TAMMY H. DOWNS, CLERK

NOTICE OF MAIL DELAY +
REQUEST OF TIME EXTEND.

I respectfully pray that the court will take into consideration the fact "Eighth Circuit - Eastern District" Particularly The "Richard Sheppard Arnold United States Courthouse at 600 West Capitol Avenue in Little Rock Arkansas and its Court Clerks do not ^{HVC} Special or legal mail privilege at PCI El Reno. Mail is treated as normal mail, opened read and inspected, the photo copied before being sent on to the unit.. This causes about a three week delay to reach me. I pray the court will allow me at least 45 days or more to respond to anything from this court, for the reason of PCI El Reno not viewing anything from this court as legal mail. This per the mail Room director..
