NOTICE

- a. In Docket entry - Document # 41 page 1 at 1 - I asked if I needed to file a New IPF Motion. Reason for asking is cause Docket entry 29 at the ORDER of the court a New 1983 and IPF was sent, This confused me, due to court already Granting IPF Motion in Docket entry 18 + 23.
- b. With no Notice on received or any Directive order I can only assume the Order granting IPF in entry 18 + 23 stands. I pray this OK...
- c. Lastly I pray my "TAC" Third Amended Complaint was compiled correctly. If at any point there is a fatal mistake please allow me correct and resubmit..

Thank you for your time, and have a
Blessed Day.
