

IN THE UNITED STATES DISTRICT COURT

EASTERN DISTRICT OF ARKANSAS

CENTRAL DIVISION

JASON LYNCH,

Plaintiff,

v. Case No. 4:24-cv-00740-LPR-BBM

DOES, Pill Nurses 1–3; et al.,

Defendants.

**PLAINTIFF’S UNOPPOSED MOTION
FOR EXTENSION OF TIME TO
IDENTIFY DOE DEFENDANTS AND FILE
MOTION FOR SERVICE**

Plaintiff Jason Lynch, proceeding pro se, respectfully moves under Fed. R. Civ. P. 6(b)(1)(A) and Local Rule 6.2 for a limited extension of the deadline to identify and seek service of the remaining Doe Defendants.

Grounds for Motion

1. The Court’s July 15, 2026 Order requires Plaintiff to file a motion for service containing the information necessary to identify and serve the remaining Defendants by August 31, 2026. court order: Lynch v. Does, No. 4:24-cv-00740-LPR-BBM, Doc. 201 (E.D. Ark. July 15, 2026).
2. Plaintiff has made continuing, good-faith efforts to identify the Doe Defendants through

targeted discovery and communications with defense counsel.

3. Plaintiff has communicated with counsel for the TK Health Defendants concerning the outstanding identification issues and the pending discovery responses. Plaintiff does not oppose the TK Health Defendants' request for additional time to respond to Plaintiff's pending motions, including the request made in Document 214.
4. Because the remaining identification issues overlap with the responses and information sought from the TK Health Defendants, additional time is necessary to review the responses, confer regarding any remaining deficiencies, and file an accurate motion for service.
5. This request is made in good faith and is not intended to delay the proceedings. The requested extension will assist the Court by allowing Plaintiff to provide the most complete identifying information available and avoid premature or inaccurate substitutions.
6. Plaintiff respectfully requests an extension of **thirty (30) days**, through and including **September 30, 2026**, to file his motion for service and identify the remaining Doe Defendants.
7. Plaintiff understands that the Court's October 13, 2026 service deadline may remain unchanged unless separately modified by the Court. Plaintiff requests only the additional time necessary to file the motion for service and, if appropriate, requests that the Court extend the service deadline correspondingly.

Relief Requested

WHEREFORE, Plaintiff respectfully requests that the Court:

- A. Extend the deadline to file a motion for service and identify the remaining Doe Defendants from August 31, 2026, through September 30, 2026;

B. Extend the deadline for service of the Doe Defendants, and Defendant Haley Workman if necessary, for a corresponding period; and

C. Grant such other relief as the Court deems just and proper.

Respectfully submitted,

/s/ Jason M. Lynch
