DEFENDANTS

ORDER

On May 14, 2026, Plaintiff Jason Lynch filed a “Motion for Partial Summary Ruling and Judicial Determination that Plaintiff Fully Exhausted All ‘Available’ Administrative Remedies Under the PLRA...” (Doc. 174). Although styled as a motion for summary judgment, the Motion is more appropriately construed as an *anticipatory response* to any Defendant’s motion for summary judgment arguing that Lynch failed to exhaust his available administrative remedies.

However, Defendants did not raise such affirmative defense; instead, they filed Notices stating that “they do not intend to file a dispositive motion of the issue of exhaustion of administrative remedies.” (Doc. 190); (Doc. 191). Accordingly, Lynch’s purported “Motion for Partial Summary Ruling and Judicial Determination That Plaintiff

Fully Exhausted All ‘Available’ Administrative Remedies Under the PLRA ...” (Doc. 174), is DENIED as moot.

SO ORDERED this 10th day of July, 2026.
