CASE NAME: Lynch v Does

CASE NUMBER: 4:24-CV00740-LPR-BBM

TAMMY H DOWNS

NOTICE OF ERROR OR MISTAKE

I pray this court will forgive my mistake and error on my "Amicus Brief" Being "Pro Se" I have little to no "legal know how" or know Court Rules.

I just found out an AMICUS Brief is to be done by a party not invloved with said case. I pray the court take into consideration the complexity of legal knowledge required, that I simply do not possess.

I pray this court will drop the word "Amicus" and just apply the Brief as supporting my TAC. I again pray this will please the court, and I'm sorry for my mistake

Respectfully!!!
Joan Matthew Lynch
